

New North
Education Initiative

Year 11 2026
COURSE SELECTION

Courses Offered at Trade Training Centres

New North Education Initiative (NNEI) - What is it?

A collaborative initiative between:

The purpose of the NNEI is to allow students at these schools to access a wider breadth of senior school curriculum choices with specialist teachers. Students remain attached to their home school campus and may attend a host school for a selected course. The NNEI has responded to community demands for excellence in education from their local schools.

The schools in the NNEI will deliver a range of courses and programs across the campuses. The shared courses will be offered in two-hour blocks, twice per week throughout the school year.

Trade Training Centre Programs will run on designated days.

NNEI - Travel between the schools.

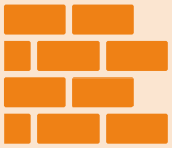

The Trade Training Centre courses are full day-release courses. Students are responsible for making their own way to the hose school in the morning and home at the end of the day.

2026 Courses Offered at Trade Training Centres

AUTOMOTIVE TRADE TRAINING CENTRE at MORLEY SHS

Certificate II in Automotive Servicing Technology
Pre-apprenticeships

BUILDING AND CONSTRUCTION TRADE TRAINING CENTRE at GIRRAWHEEN SHS

CPC20220 Certificate II in Construction Pathways - Building Maintenance: Bricklaying/Tiling/Plastering

NNEI Provider School: Girrawheen Senior High School
(Delivered in partnership with North Metro TAFE - RTO 52786)

Students undertaking this qualification will complete a majority of their learning experience in a custom-built Trade Training Centre. They will have the opportunity to complete a Certificate II in Bricklaying, Plastering, and Tiling and attain units of competency in occupational health and safety, work planning, and basic use of tools and materials.

This nationally recognised qualification provides students with hands-on experience and foundational skills in the construction industry. Designed in collaboration with industry professionals, the course prepares students for entry-level employment in trades such as bricklaying, plastering, and tiling, and introduces them to real-world workplace expectations.

Delivered at the Building and Construction Trade Training Centre, the program is run in partnership with North Metropolitan TAFE, allowing students to complete this Certificate while still at school.

Key Features:

- Industry-relevant skills and knowledge
- Practical training in bricklaying, plastering, and tiling
- Pathway into apprenticeships or further TAFE study
- Real-life learning in a purpose-built training facility

This is an ideal course for students looking to kickstart a career in the construction industry while gaining credits towards their WACE.

TAFE WA North Metropolitan

LILY CAFE
TRADE TRAINING CENTRE

SIT20421 Certificate II in Cookery

DANDJOO
PERFORMING ARTS CENTRE

CUA31020 Certificate III in Screen and Media

This Certificate is currently auspiced through Skills Strategies International – RTO 2401

Your creative future begins here.

This qualification offers students in Year 11 a pathway to the Screen and Media Arts sphere. This program is suitable for students who have an interest in writing and creating content for social media platforms. As well as writing, shooting and sound editing within the world of screen media and creating podcasts to reach specific audiences.

This course is tailored to students who want to be on both sides of the camera. Dianella Secondary College offers this qualification from the amazing surroundings of the Dandjoo Performing Arts Centre, a purpose-built space that can function as a multidisciplinary Arts space.

How will this course help students in the future?
This qualification provides a pathway for students to a number of roles within the creative industries and provides a foundation for study in the future. The Certificate III in Screen and Media provides the practical skills to develop a portfolio of work to apply for entry-level roles in the creative industry for both presenting and technical roles.
